### NATURAL GAS COMING.

It is with much satisfaction that I assure the citizens of Baxter Springs that we are to have natural gas. Our company hopes to begin operations before January 1, 1906. This means money, and lots of it. The result is that I must have every dollar that is due me, either in cash or bankable paper, to successfully carry through this work. I candidly believe that the acquisition of natural gas will do more for Baxter Springs than any other enterprise. Everyone knowing himself indebted to me will please call at once and settle. DR. JONES.

### IMPROVEMENTS.

The Crescent Hotel at Eureka Springs will close for the winter on Nov. 15, and re-open Feb. 15, 1906.

During the winter considerable improvement will be made and the erection of an annex across the street, containing several rooms, is contemplated.

No Poison in Chamberlain's Cough Remedy.

From Napier New Zealand, Herald:—Two years ago the Pharmacy Board of New South Wales, Australia, had an analysis made of all the cough medicines that were sold in that market. Out of the entire list they found only one that they declared was entirely free from all poisons. This exception was Chamberlain's Cough Remedy, made by the Chamberlain Medicine Company, Des Moines, Iowa, U. S. A. The absence of all narcotics makes this remedy the safest and best that can be had; and it is with a feeling of security that any mother can give it to her little ones. Chamberlain's Cough Remedy is especially recommended by its makers for coughs, colds, croup and whooping cough. This remedy is for sale by A. R. Kane.
